Chairman's Comments

Chairman Meeks brought the meeting to order.

Visitor Comments

Chairman Meeks talked about adding additional safety signs to the park. Mayor Judge said that additional stop signs, etc. will require a traffic study first.

Park bathrooms will be open April through November. Chairman Meeks took Porta Potties out of the budget last year. They are being considered again for the off months, as there is no bathroom option on Sundays at the park. Every other day people have to walk down to Stymies.

To help with water drainage, gutters are getting put on the bathrooms, plus a french drain at front of the porch.

The 2 new trash cans at the city park will be emptied daily by the city of Mount Carmel.

The new gaga ball court is being well received and used by the public.

36+ trees will be planted around town to replace the ones taken down below Cherry st. bridge.

Mowing is on Thursdays and Fridays at the city park.

Member McPherson stated that the basketball courts at Lincoln Park will soon be renovated thanks to some generous donors.

Chairman Meeks asked if anyone had any further comments. With none, a motion was made by member Andrews and seconded by member Hopper.

Meeting dismissed at 6:35pm.
