

FENCE APPLICATION

Per city ordinances Structures on easements are prohibited.

Sec. 6-51

No structure of any kind or nature, including but not limited to buildings and outbuildings, shall be placed upon any utility easement in the city shown or recorded in the public records of Wabash County, Illinois.

Easements on properties are used for water mains, sewer mains, gas lines, electric lines, telephone, cable and internet.

It is the home owner's responsibility to know their property lines and easements before placing or building any structure or fence upon any platted easements. This includes structures on skids.

Easements can be found in the County Clerk's Office, or the County Assessor's Office.

FENCE APPLICATION

Application Date: _____ Applicant Name: _____

Name of Contractor: _____ Contractor Registration Number _____

Contractor Phone No. () _____

Location of Fence: _____ Legal Description _____

The applicant identified herein, owner of the herein described property, does hereby request from the City a permit to allow the installation of a fence upon a portion of the identified property and agree to the following restrictions:

1. No part of my fence will encroach upon the adjoining property
2. I will provide pictures of the material used to construct the fence
3. I will provide an easement plat of my property. (may be obtained at Wabash County Assessor's office)
4. No portion of my fence that extends into the front yard, past the livable area of my house, will be greater than four (4) feet in height
5. I will attach a detailed drawing of the proposed fence area which shows the distance from the property line to the fence and from any easements to the fence.
