

Sign/Billboard Application

Sign Application and Sign Requirements are in supporting documents

Signs and Billboards must have an application filled out and must be approved.

Signs are considered and approval given through the City Inspector and City Administrator.

No billboard shall be constructed in any zoning district created by the city, without first being approved by the city council of the city. The city council shall be under no obligation to grant such approval. However, when granting such approval, the city council of the city may impose such conditions and restrictions upon such approval as the city council may deem appropriate.
