

Mayor & Administration

Mayor of the City of Mount Carmel

[Joe Judge](#)

My mission is to provide progressive leadership promoting improved quality of life for all citizens of Mount Carmel in a fiscally responsible manner, to update our comprehensive plan to encourage economic growth, and have a transparent local government. Open and honest government is the cornerstone of American democracy, and it can only be achieved through the free exchange of information between the government and its citizens.

A little about my background, I was elected for my first term as commissioner in 2011 I selected Streets, Cemetery and Parks. I was elected for a second term as commissioner in 2015. I selected Finance and Senior Citizens for that term. I ran and was elected mayor in April of 2019.
