

Mabas Illinois

The Mutual Aid Box Alarm System (MABAS) provides emergency rapid response and sustained operations when a jurisdiction or region is stricken by an overwhelming event generated by manmade, technological, or environmental threats. In response, MABAS will mobilize and, deploy a sustained fire, emergency medical services (EMS), hazardous materials, technical rescue, water rescue, urban search & rescue, and incident management assistance team resources to prevent loss of life, human suffering and further damage to property.

MABAS-Illinois serves local fire agencies, MABAS Divisions, State of Illinois departments, and Cook County UASI-DHSEM

by providing a systems-based resource allocation and distribution network of robust traditional and nontraditional fire-EMS-rescue and special operations teams for emergency and sustained response within and outside of the State of Illinois. Accomplishment of the services requires cooperation, standardization, reliability, partnering, brokering and ongoing communication and compliance with customer specification and expectations. Customer trust and reliance on the MABAS system is built upon personal relationships, credibility, and ongoing customer support.
