

Mount Carmel Municipal Airport

Mission Statement

Mount Carmel Municipal Airport's mission is to represent the City of Mount Carmel, Counties of Wabash, Lawrence and the state of Illinois and all of general aviation in a professional, responsible and businesslike manner while serving the best interests of all of the citizens of Mount Carmel and to promote commercial, economic and industrial development. The Mount Carmel Municipal Airport will plan, develop, operate and maintain a premier air facility to serve Mount Carmel, Wabash County and all the surrounding areas. The highest levels of safety, convenience and efficiency will be used to accomplish this mission.

FUEL

Mt. Carmel Airport is a full service general aviation airport with 2 runways that can accommodate aircraft from small single engine to large business jets. Self serve, and full serve jet-A and Avgas fueling.

Our Fuel pumps are self-serve after hours and the pumps take credit cards

Airport Events

August 3rd of 2019 we had our Airport Days. This event was a huge success. We are building on that success and have plans for a full blown Screaming Aces Airshow in 2020. The month has not been set as of this date.

History

History of the Mt. Carmel Municipal Airport

The Mt. Carmel Municipal Airport, formerly known as Presbyterian Field, was deeded to the City of Mt. Carmel in 1948 from the U.S. Government.

Presbyterian Field (MCMAP) was one of four auxiliary fields that supported the training...
