The Mount Carmel Lions Club

The club was chartered September 9, 1952. Its list of members was composed of some of the city's most progressive individuals and included Dr. D.R. Tombaugh, John Costa, John Dersch, and Robert Mobley. Dr. Tombaugh is an advisor to the club and a lifetime member. Mount Carmel Lions Club is a chapter of Lions Club International, which was founded in the United States on June 17, 1917 by Melvin Jones, a Chicago businessman. Mr.

Jones' personal code was "You can't get very far until you start doing something for somebody else." Thus our motto, "We Serve." Our programs include sight, hearing, speech conservation, and support of our local community to improve the quality of life of our citizens.

Some of our largest projects include land acquisition and development for Mount Carmel City Park and the securing of \$150,000 in grants and fundraisers for development of the County Park and Lake Froman. The list of other projects is too long to mention but includes three \$500 scholarships annually, restoration of the war memorial at the court house, many cash donations in support of youth programs, and continued improvement and upkeep of the county park.

The Lions Radio Auction will be taking place the first of May for 3 days on WSJD 100.5 FM. Be sure to listen and bid. We are looking for new members, so stop by the auction and talk to a member if you are interested in joining an active club.

Rotary Club of Mount Carmel

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul P. Harris, an attorney who wished to recapture in a professional club the same friendly spirit he had felt in the small towns of his youth.

The Rotary Club of Mount Carmel continues this spirit with many charitable events and fundraisers through out the year.

The annual Mt. Carmel Rotary Corn Day is always held in the air-conditioned Mabel Courter Youth Center. Amazingly, this event has over 54 years of history. Making it one of the longest continuous community events in Mount Carmel. The first Rotary Corn Day was held in 1965 at Bluff City Park and there has been an annual Rotary Corn Day ever since.

Corn Day is the major fund raising project for the Mount Carmel Rotary Club, and proceeds from the event go to fund various community and humanitarian endeavors. Each year approximately 1,500 people are served at Corn Day.

Kiwanis International

Was founded in 1915 by a group of businessmen in Detroit, Michigan, United States. The organization was originally called the Supreme Lodge Benevolent Order of Brothers but changed its name to Kiwanis a year later.

The name “Kiwanis” was coined from an American Indiana expression, “Nunc Kee-wanis,” which means, “We trade.” In 1920, the motto of Kiwanis became “We Build.” It remained the motto until 2005, when members voted to change it to “Serving the children of the world.” In the early years, members focused on business networking but in 1919, the organization changed its focus to service — specifically service to children.

Kiwanis became an international organization with the founding of the Kiwanis Club of Hamilton, Ontario, Canada, in 1916. Kiwanis clubs formed in communities across the United States and Canada until the 1960s, when worldwide expansion was approved. Today, Kiwanis clubs are helping children thrive, prosper and grow in nearly 80 nations and geographic locations.

The local Mt. Carmel Kiwanis Chapter is continuously helping our community and working towards a better tomorrow for the children of Wabash County. Each year the Kiwanis donate funds to benefit sports programs and education within our district.

If not for the Mt. Carmel Kiwanis we would not have the services of our local Animal Shelter. This local organization not only raised over \$100,000 for the project, they also donated their time and manpower to help build it.

The Kiwanis are known for pitching in and helping-out with other building projects in the area as well. The organization has erected shelter houses in our local city park and completed reservations needed along the way.

There are a few fundraisers the Kiwanis are doing each year to fund these generous projects. In 1925 Pancake Day was established. This is an all-you-can-eat pancake dinner that is hosted in October each year, all proceeds are dedicated to community projects.

The Kiwanis are also hosting some fun and memorable community events. For decades the Kiwanis have brought joy to the children in our community by hosting the annual Easter Egg Hunt held each year in the Mt. Carmel City Park. This event gives children the opportunity to hunt for candy-filled eggs and win Retail Merchant gift checks. In 2014 the first Downhill Derby was enjoyed by the community, as onlookers watch area locals race their homemade soap box derby race cars down 3rd Street in Mt. Carmel. This is an event you don't want to miss!

As a community we are fortunate to have the Mt. Carmel Kiwanis. We appreciate the efforts they are putting forth to continuously make Wabash County a great place to reside.

Many local students have benefited from the Elks National Most Valuable Student and Legacy Scholarships through the years. The Elks National Foundation awards \$3.74 million each year in scholarships. Local projects/activities of the Elks are the Flag Day Ceremony, Veterans Programs, Americanism Essay Contest, Drug Awareness Program, Easter

Bunny Program, Hoop Shoot Contest, and the Children's Care Corporation. Mt. Carmel Lodge #715 is proud to be a part of the Illinois Lodges who contributed \$295,625 to the Children's Care Corporation last year. Free Children's Care Clinics are sponsored across the nation, with the Wabash General Hospital Orthopedic Clinic hosting four of those clinics in 2015. Officers of the local Lodge have joined with other Elks at the State meetings to assemble care packages for Illinois soldiers overseas.

Mt. Carmel Woman's Club

[Mount Carmel Women's Club](#)

A philanthropic organization dedicated to enhancing the effectiveness of its member clubs' service to local and international communities; community improvement; and enhancing the lives of others through volunteer service.

We trace our roots back to 1899 when veterans of the Spanish-American War (1898) and the Philippine Insurrection (1899-1902) founded local organizations to secure rights and benefits for their service. Many arrived home wounded or sick. There was no medical care or veterans' pension for them, and they were left to care for themselves.

In their misery, some of these veterans banded together and formed organizations that would eventually band together and become known as the Veterans of Foreign Wars of the United States. After chapters were formed in Ohio, Colorado and Pennsylvania, the movement quickly gained momentum. Today, membership stands at more than 1.6 million members of the VFW and its Auxiliary.

Our voice was instrumental in establishing the Veterans Administration, development of the national cemetery system, in the fight for compensation for Vietnam vets exposed to Agent Orange and for veterans diagnosed with Gulf War Syndrome. In 2008, we won a long-fought

victory with the passing of a GI Bill for the 21st Century, giving expanded educational benefits to America's active duty service members, and members of the guard and reserves, fighting in Iraq and Afghanistan. We were the driving force behind the Veterans Access and Accountability Act of 2014, and continually fight for improved VA medical centers services for women veterans.

Besides helping fund the creation of the Vietnam, Korean War, World War II and Women in Military Service memorials, in 2005 the VFW became the first veterans' organization to contribute to building the new Disabled Veterans for Life Memorial, which opened in November 2010. And in 2015, we became the first supporter of the National Desert Storm War Memorial which is planned for construction at our nation's capital.

We have many programs and services that work to support veterans, service members and their families, as well as communities worldwide. Please check out our latest fact sheet or spend some time browsing our site to learn why No One Does More For Veterans.

Mount Carmel American Legion

Members and volunteers step up to advance our mission of service to veterans, military and their families! The American Legion Family has influenced considerable social change in America, won hundreds of benefits for veterans, helped military families through transition and produced many important programs for our country's youth. Today, members across the country are helping military families cope with the effects of multiple deployments. The toll on our all-volunteer force and their families has been enormous.
